Message from the President

It is hard to believe that another season of Torpedoes water polo is winding down. What an exciting year it has been. Finally, having the full use of the pools at the Talisman in January. Boy those change rooms look nice. The Alberta Open back in Calgary, YEAH!!!!!! What an amazing job the Renegades and Torpedoes did hosting the 18 U Nationals, what an event. Then wrapping up the season with a terrific wind up party with the Renegades where we had a chance to celebrate some of our top players. Congratulations to everyone!!!!!!

I would like to wish those players who are off to the various training camps and competitions all the best. What a great opportunity you have been given - to make new friends, learn new skills, travel and play in far away places.

For those who are doing summer swim clubs, enjoy the swim meets. They are a chance to improve your swimming skills and hang out with friends with water polo. Remember to tell your friends how much fun water polo is.

I would like to thank all the parents for bringing your kids to the pool for practices, volunteering your time at the various events and being a friendly face in the stands. THANK YOU, THANK YOU, THANK YOU.

I hope to see everyone back next year and if you are not returning I wish you well. You will be missed and hope that you have great memories of your time as a Torpedo.

I hope everyone has a safe summer wherever your travels take you. See you in September.

Cheryl Barclay
