## Note from U18 Tournament organizers....

We are having a great Nationals and everyone from across Canada is so impressed with it. Everyone's efforts and help is noted and we are very grateful.

Now we need help with clean up and take down! The last game will be starting at 5 pm in the comp pool, then awards but we can start at the latest at 6. I know that it is mother's day and it is meant for family, but if we could get everyone to help for just one hour it would go fast!

Thanks again,

Dayna and Susan

**Thank you very much to all** that have been involved with the hospitality room! The food donations have been awesome! Please make sure all containers are picked up by 3pm on Sunday.

**Car Decals \$5 each!** We have some available in the Hospitality room. Please see Susan (or Devon) Thumwood
